

Emerson, Lake & Palmer Legend Greg Lake - RIP - December 7, 2016

London, UK - Legendary Greg Lake sadly passed away on Wed. Dec. 7th. As a founding member of King Crimson and Emerson, Lake & Palmer, Greg Lake has been a major force in music for over 40 years. He has long been considered a legendary voice and musical powerhouse whose impact changed the landscape of rock and roll. Many simply refer to him as “The Voice”.

Greg was just finishing his autobiography titled “Lucky Man”, which is scheduled for release in 2017.

Says his long-time manager and friend Stewart Young, "Yesterday, December 7th, I lost my best friend to a long and stubborn battle with cancer. Greg Lake will stay in my heart forever, as he has always been. Despite his illness which he knew to be terminal he always took the view about his life, career and family that he was indeed a lucky man... His family would be grateful for privacy during this time of their grief. Many thanks."
