Keith Emerson and Greg Lake to Release 'Live From Manticore Hall' CD July 14, 2014

London, UK – Welcome to Manticore Hall! Keith Emerson and Greg Lake, two of the founding members of prog legends Emerson Lake & Palmer, will be releasing their highly anticipated new CD 'Live from Manticore Hall' on July 14, 2014 on Manticore Records, via Cherry Red. The duo's forthcoming live album captures their unique two-man versions of a selection of well-known material from ELP's celebrated

catalog, including the hit “Lucky Man”. These recordings were taken from a live show during their 2010 world tour and presented here for the first time!

“Live At Manticore Hall' is an introspective revisit to some of the music of ELP. I think Greg and I gave it a personal touch with our Q&A sessions midway through the show. It was a delicate transformation that we present now.” - Keith Emerson

“I think this album offers a very interesting perspective upon how Keith and I work and create together.” - Greg Lake
